ZX-3

Compact Rice Milling System Model ZX-3 (with options)

The Compact ZX-3 Rice Milling System was developed to meet the requirements of small farms and small rice mill applications. The compact rice milling machine model ZX-3 is modern with a very small footprint that guarantees excellent yield with most rice varieties with extremely low power consumption. The milling equipment is made from the high quality materials and precision manufacturing techniques, followed by rigorous quality control testing.

Model:
COMPACT ZX-3 MILLING SYSTEM

Motor:

- Three-phase electric motor (power system) ZX-3 and feed bucket elevator
5 hp (3.7 kw)

Length grader kit
0.33 hp (0.25 kw)

Length grader with bucket elevator
1.5 hp (1.1 kw)

Pre-cleaner PLRZ-1
1 hp (0.75 kw)

- Single-phase electric motor
7.5 hp (5.5 kw)

- Diesel motor
10 hp / 2400 rpm

Capacity lbs. (kg)/hour:
Up to 572 (260)

Approx. shipping volume cu. ft. (m³):
353 (10)

Approx. shipping weight lbs. (kg):
2860 (1300)

Note:
Production in lbs. (kg)/hour, based on testing of thin long grain rice.

For the best results, it is recommended that paddy moisture content should be between 12 and 13%.

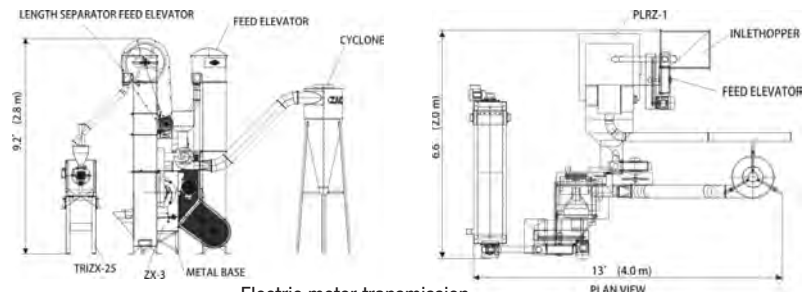

Indústrias Machina Zaccaria S/A reserves the right to change the information stated in this catalogue, including the color and details of the machine, without prior notice.

THE MACHINE CONSISTS OF

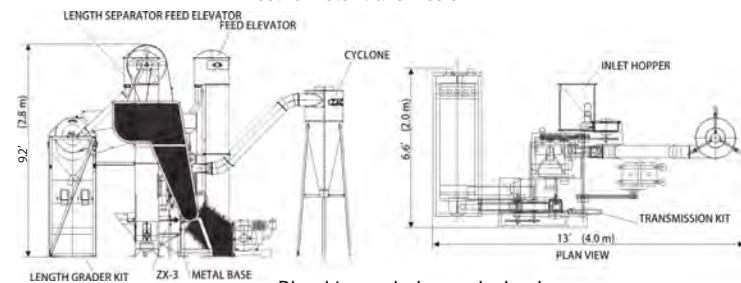

- Feed hopper;
- Pre-cleaner to remove impurities;
- Husk separator;
- Husk aspiration;
- Horizontal abrasive whitener with easily exchangeable screens and brakes;
- Sift screen from broken rice removal
- Quick and easy adjustments;
- Simple and fast adjustment;
- Base for electric motor;
- Vibratory sifter for removal of broken rice.

OPTIONS

- Kit for diesel drive;
- Cyclone assembly for husk separation;
- Support stand;
- Bucket elevator with reception hopper;
- Length separation cylinders with elevator;
- Support stand;
- Pre-Cleaner RURAL PLRZ-1.

Electric motor transmission

Diesel transmission or single-phase

Note:

- 1 - Transmission for diesel motor 10 hp
- 2 - Transmission for electric motor 7.5 hp (5.5 kw) single-phase.
